

Democracy doesn't fall in a day.

Early warning for democracy.
Real tools for its defenders.

A Horizon Europe project that studies how democracies are eroded, builds an AI tool to detect digital authoritarianism, and equips civil society, media and policymakers to respond.

How RADAR works

01 Investigate

Authoritarian conditions and counter-strategies

02 Detect

Digital authoritarianism and the RADAR AI tool

03 Empower

Training, communities and AI tool piloting

04 Act

Policy recommendations for democratic resilience

For policymakers and public authorities, civil society and social movements, journalists, educators and students, researchers, the civic-tech community and citizens.
